

NATIONAL DAY OF ACTION

A National Call-in Day to save Medicaid is planned for **WEDNESDAY**. Despite national news coverage saying a Senate vote on health care changes has stalled, behind the scenes, Senators are working to negotiate passage. The date is uncertain, but Senators are under huge pressure to take a vote before the August recess. The more than \$740 billion in cuts to Medicaid are still on the table. Call both Senator Ron Johnson and Senator Tammy Baldwin with your stories. Tweet/Facebook pics and stories. Share with your network and have them make calls.

Here Is How You Can Take Action:

1. Call your legislators and tell them: No Cuts! No Caps! No Carve Outs!
